

Amendments To The Abstract:

In the English translation document, please add the section heading at page 20 line 1, as follows:

--ABSTRACT

Components comprising corrosion products are often reused, in which case the corrosion product has to be removed. According to the prior art, this takes a very long time since the reaction times with the corrosion product are often very long. According to the invention, the corrosion product is pretreated in order to produce a larger attackable surface area, so that the corrosion product can be removed more quickly.--

A clean copy of the Abstract is provided herewith on a separate sheet.
